**RE: Case#: 2:16-cv-08870-JMV-JBC**

Greetings John,

First I would like to correct the record. It has been my intent from the beginning to file a claim as a man. [cf. sui juris] (Exhibit A JS 44) It has been my intent to create my own court of record to proceed according to the course of the common law. If the clerks converted my claim as a man to complaint as a "person" that is not i, a man, they did so without my consent and to the detriment of my rights as a man.

Secondly, I am aware that the U.S. District Court is a legislative creation and not a creation of the Constitution for the united States of America. The gold fringed flag is evidence of advertised jurisdiction in a military tribunal. i, a man, being a native New Jerseyan do not belong in such a court nor am I subject to it.

Thirdly i, a man, require a court of record in a court room flying the proper peacetime flag where everyone is on a level playing field. Anything less would be a denial of due process of law.

Fourthly, attached is the modified claim with all the paperwork.

Godspeed,

*Thomas-Frederick: Rogers*

Greetings John,

To date the men and woman from the WEST AMWELL MUNICIPAL COURT have not produced any charging documents, facts, evidence, sworn statement of probable cause, or joinder to the plaintiff in the complaints against i: man, Thomas-Frederick of the Rogers Family. The court administrator has however marked the person with a similar name to mine as having failed to appear to answer these complaints twice resulting in the NJMVC has sent a letter to the person "THOMAS F ROGERS" stating a license suspension is forthcoming on August 11, 2017 if the complaints are not handled by that date. (Exhibit M)

The problem is the prosecutor does not have any of the information by his own admission and is not ready to move forward until he has said information. (Exhibit N) The woman acting as court administrator is acquiescing to the prosecutor's

request instead of putting my orders to dismiss forward. i: man will end up in more unlawful violent encounters because 'James: Porch' did not do his job. The men and women at the WEST AMWELL MUNICIPAL COURT refuse to acknowledge my paperwork and do their job by dismissing these complaints. i: man will be held to account for the license suspension of the fictional entity, "THOMAS F. ROGERS", which will cause me irreparable harm as i will no longer be able to provide my family with resources to survive due to the bias of people who have all sworn allegiance to the 'STATE OF NEW JERSEY'.

Further i: man should not have been on the docket as i had filed an ethics complaint against the man acting as Municipal Judge. He was required to recuse himself until the ethics complaint was handled. To date I have not heard anything regarding the ethics complaint nor has Ray Barson recused himself.

Godspeed,

RE: Motor Vehicle Violations  
Numbers E16 000616, E16 000617 & E16 000618

Dear Mr. Rogers,

I am writing to you in my capacity as Municipal Prosecutor for the Township of West Amwell.

Court rules require that a defendant charged with violations within the jurisdiction of a given municipality, and wanting discovery from the State, must notify the municipal prosecutor with such a request.

In your case we have not received a request for discovery, but becoming aware of your case by the West Amwell Court Administrator, Mary Hoagland, we took it upon ourselves to order discovery from the New Jersey State Police Department, the organization that issued the tickets. This was done on June 6, 2017.

To date we have not received the requested discovery and I have asked the Municipal Court Administrator not to schedule your matter until we are in receipt of the discovery.

I hope this clears up any questions you may have. Any further matters dealing specifically with discovery should be addressed to me.

Very truly yours,

  
Philip J. Faherty, III

County Elections Officer,

It has come to my attention that there is an error in my voter registration. I am not nor have I ever been a U.S. citizen. I am a Constitutional New Jersey State National living on the land within the geographical borders of New Jersey.

For this reason I do not meet the requirements of voter registration for "United States" elections and require that my voter registration be rescinded.

RE: Jury Ineligibility

Greetings Kristen,

It has recently come to my attention that I am not now nor have I ever been a United States citizen. I am in fact an American State National from one of the 50 States of Union. This fact has been certified by the U. S. Department of State (see exhibit A).

For these reasons I am not eligible for jury duty. I require you remove me from all jury service now and in the future.

If your records have not been previously updated, to avoid confusion, I previously inhabited 19 Sanders Rd, Rockaway New Jersey.

Sincerely,  
Thomas F Rogers

## Joint Resolution

Authorizing and requesting the President to proclaim 1983 as the "Year of the Bible".

Oct. 4, 1982

[S.J. Res. 165]

Whereas the Bible, the Word of God, has made a unique contribution in shaping the United States as a distinctive and blessed nation and people;

Whereas deeply held religious convictions springing from the Holy Scriptures led to the early settlement of our Nation;

Whereas Biblical teachings inspired concepts of civil government that are contained in our Declaration of Independence and the Constitution of the United States;

Whereas many of our great national leaders—among them Presidents Washington, Jackson, Lincoln, and Wilson—paid tribute to the surpassing influence of the Bible in our country's development, as in the words of President Jackson that the Bible is "the rock on which our Republic rests";

Whereas the history of our Nation clearly illustrates the value of voluntarily applying the teachings of the Scriptures in the lives of individuals, families, and societies;

Whereas this Nation now faces great challenges that will test this Nation as it has never been tested before; and

Whereas that renewing our knowledge of and faith in God through Holy Scripture can strengthen us as a nation and a people: Now, therefore, be it

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled*, That the President is authorized and requested to designate 1983 as a national "Year of the Bible" in recognition of both the formative influence the Bible has been for our Nation, and our national need to study and apply the teachings of the Holy Scriptures.

Year of the  
Bible.

Approved October 4, 1982.

Notice

**Notice: Statement of facts**

On November 26, 2016, i, a man, was moving across the planet using my property to pick up my wife and children from Pennsylvania. At approximately 10:30pm i was traveling along an unlit, sparsely populated country road when 'James: Porch' turned on his emergency lights behind me for a non-felony, non-emergency arrest.

Given the current state of tensions in this nation and this state relating to law enforcement officers brutally assaulting, injuring, and murdering individuals that are doing nothing more than asserting and exercising their fundamental and constitutionally protected rights not to be subjected to false arrests, abuses of police power, and injurious physical assaults and death at the hands of out-of-control law enforcement personnel I was not about to give 'James: Porch' any reason to add i, a man, to the list of statistics. I pulled over immediately leaving my hands in plain view.

Within a span of about 15 minutes, 'James: Porch' using demonstrably faulty logic and unsubstantiated legal presumption and callous disregard of the facts and the law created an unacceptable level of danger to the life, person, rights, and property of i, a man. 'James: Porch' acted as investigator, prosecutor, judge, jury, and executioner making the legal determination without any articulable facts or evidence that my property was illegal and without any warrant or trial seized my property. He said my understanding of the law was "wrong."

Upon arrival of the flatbed truck i, a man, was ordered out of my car. i was allowed to gather essential items. Then I was ordered to stand for a "pat down." 'James: Porch' was standing behind me with two other men acting as State Troopers standing in front of me. All three men were clearly armed. 'James:

Porch' felt around my waist and then reached between my legs grabbing my genitals.

Shortly after 'James: Porch' drove i, a man, to a Quick Chek about a mile away where I was dropped off and told to call someone for a ride. By this time it was almost 11:00pm on a Saturday night and i was over an hour from home. My wife and children were now stranded in Pennsylvania because our family car was just taken from us without cause. 'James Porch' then told me I would not get my property back until i, a man, proved to the satisfaction of the New Jersey State Police that my property was compliant with the law and i paid the towing and storage fees, neither of which i contracted for.

To this day 'James: Porch' has not filed any charging documents with sworn statement of probable cause. He handed me three unsigned appearance tickets. He has not filed anything on the public record to my knowledge or to the knowledge of Philip J. Faherty, III, man acting as West Amwell Prosecutor. (Exhibit F: Letter from Philip j Faherty, III) I have no idea where my property is located or what condition it is in. My family of five continues to be forced to make all sorts of special arrangements to this day because 'James: Porch' robbed us of our property and the State Police refuse to return it. Property that took i, a man, many years to pay off and to my knowledge the STATE OF NEW JERSEY nor 'James: Porch' have any vested interest in. Property that i, a man, believe taken because 'James: Porch' believed that he had absolute power and control over another man's life, freedom, property, and fortune.

i, say here, and will verify in open court,  
that all herein be true

Dear Mr. Rogers,

I am writing to you in my capacity as Municipal Prosecutor for the Township of West Amwell.

Court rules require that a defendant charged with violations within the jurisdiction of a given municipality, and wanting discovery from the State, must notify the municipal prosecutor with such a request.

In your case we have not received a request for discovery, but becoming aware of your case by the West Amwell Court Administrator, Mary Hoagland, we took it upon ourselves to order discovery from the New Jersey State Police Department, the organization that issued the tickets. This was done on June 6, 2017.

To date we have not received the requested discovery and I have asked the Municipal Court Administrator not to schedule your matter until we are in receipt of the discovery.

I hope this clears up any questions you may have. Any further matters dealing specifically with discovery should be addressed to me.

Very truly yours,

  
Philip J. Faherty, III

Exhibit G

Pursuit/Emergency Driving, and who is currently employed by a public safety agency.

F. Paralleling:

1. Street Paralleling: Driving a police vehicle on a street parallel to a street on which a pursuit is occurring.
2. Vehicle Paralleling: A deliberate offensive tactic by one or more patrol vehicles to drive alongside the pursued vehicle while it is in motion.

G. Pursuit Driving: Pursuit driving is an active attempt by a law enforcement officer operating a motor vehicle and utilizing emergency warning lights and an audible device to apprehend one or more occupants of another moving vehicle when the officer reasonably believes that the driver of the fleeing vehicle is aware of the officer's attempt to stop the vehicle and is resisting apprehension by increasing vehicle speed, ignoring the officer or otherwise attempting to elude the officer.

H. Pursuit Vehicles:

1. Primary Unit: The police vehicle that initiates a pursuit or any unit that assumes control of the pursuit as the lead vehicle (the first police vehicle immediately behind the fleeing suspect).
2. Secondary Unit: Any police vehicle which becomes involved as a backup to the primary unit and follows the primary unit at a safe distance.

I. Roadblock: A restriction or obstruction used or intended for the purpose of preventing free passage of motor vehicles on a roadway in order to effect the apprehension of a violator.

1. Avenue of Escape: A gap in a roadblock which requires the violator to decrease the vehicle's speed to permit the violator to bypass the roadblock.
2. Blocking Vehicle: A motor vehicle, often a law enforcement vehicle, which is placed perpendicular to a roadway or angled in such a way as to create a roadblock.

J. Supervisor: A police officer who, by virtue of rank or assignment, is responsible for the direction or supervision of the activities of other police officers.

K. Vehicle Contact Action: Any action undertaken by the pursuing officer intended to result in contact between the moving police vehicle and the pursued vehicle.

~~L. Violator: Any person who a police officer reasonably believes: (1) has committed an offense of the first or second degree or an offense enumerated in Appendix A of this policy, or (2) poses an immediate threat to the safety of the public or other police officers.~~

## I. DECIDING WHETHER TO PURSUE

A police officer has the authority, at all times, to attempt the stop of any person suspected of having committed any criminal offense or traffic violation. It is clear that while it is the officer who initiates the stop, it is the violator who initiates the pursuit. The officer's decision to pursue should always be undertaken with an awareness of the degree of risk to which the law enforcement officer exposes himself and others. The officer must weigh the need for immediate apprehension against the risk created by the pursuit.

### A. Authorization to Pursue

#### 1. A police officer may only pursue

- a. When the officer reasonably believes that the violator has committed an offense of the first or second degree, or an offense enumerated in Appendix A of this policy, or
- b. When a police officer reasonably believes that the violator poses an immediate threat to the safety of the public or other police officers.

~~2. Pursuit for motor vehicle offenses is not authorized under the above criteria unless the violator's actions pose an immediate threat to the safety of another person.~~

B. In the event that one of the authorization requirements is satisfied, a pursuit should not be automatically undertaken. An officer must still consider the following factors:

To date i: man, Thomas-Frederick, have not received an oath sworn statement of probable cause from 'James: Porch' nor to my knowledge has 'James: Porch' put any statement on the public record under penalty of perjury to verify his actions are lawful.

Without any statement on the public record there is no judicial oversight of any kind nor any opportunity for i: man to "defend" myself against his actions without great expense to i.

Therefore i: man believe that 'James: Porch' has acted independently of all jurisdiction.

**Notice: 'James: Porch' lacks Subject Matter Jurisdiction**

The 'rogers court' presents notice:

It is an uncontested fact that 'James: Porch' conducted no investigation into discovering any facts or evidence that would prove i: man, was engaged in "transportation" at any time prior to or during the alleged regulatory offense.

It is an uncontested fact that 'James: Porch's' entire basis for making such an allegation is based entirely upon his own unsubstantiated personal presumptions of law rather than actual facts or evidence.

It is an uncontested fact that 'James: Porch' has no lawful authority to seize and arrest i: man without warrant for an alleged "transportation" offense if he lacked any articulable facts and evidence supporting probable cause to believe that i: man was actively engaged in "transportation."

It is an uncontested fact that, absent any facts and evidence that i: man was engaging in "transportation," 'James: Porch' lacked not only articulable probable cause to make a warrantless seizure and arrest of i: man, but also any and all subject matter jurisdiction over i: man relating to enforcement of regulatory statutes relevant to same.

It is an uncontested fact that, if 'James: Porch' never believed that i: man was actively engaged in "transportation" at the time of the alleged offense, thus 'James: Porch' never intended to perform any investigation that would result in the discovery of any admissible facts and evidence that would prove i: man was so engaged, then it cannot be rightfully said that 'James: Porch' was acting on any specific articulable facts or evidence supporting probable cause, but was acting instead upon

an entirely unlawful and unsubstantiated legal presumption that the existing facts and evidence did not support.

It is an uncontested fact that, given the current state of tensions in this nation and this state relating to law enforcement officers brutally assaulting, injuring, and murdering individuals that are doing nothing more than asserting and exercising their fundamental and constitutionally protected rights to not be subjected to false arrests, abuses of police power, and injurious physical assaults and death at the hands of out-of-control law enforcement personnel, 'James: Porch's' demonstrably faulty and unsubstantiated legal presumption and callous disregard of the facts and the law created an unacceptable level of danger to the life, person, rights and property of i: man as well as that of the general public to a degree that is shocking to the conscience.

As 'James: Porch' lacked any actual articulable facts and evidence that i: man was actually engaged in "transportation" or that i: man had caused harm to another man or woman at the time of the warrantless seizure and arrest of i: man, and never made any attempt whatsoever to investigate into these necessary and mandatory elements of subject matter jurisdiction relating to the alleged offense, there was no legal basis creating a foundation for articulable probable cause that would serve to support 'James: Porch's' warrantless seizure and arrest and trespasses. Therefore, the warrantless seizure and arrest and trespasses of i: man by 'James: Porch' was completely unlawful and illegal and was not based upon any probable cause supporting subject matter jurisdiction.

The 'rogers court' presents notice:

It is an uncontested fact that 'James: Porch' conducted no investigation into discovering any facts or evidence that would prove i: man, was engaged in "transportation" at any time prior to or during the alleged regulatory offense.

It is an uncontested fact that 'James: Porch's' entire basis for making such an allegation is based entirely upon his own unsubstantiated personal presumptions of law rather than actual facts or evidence.

It is an uncontested fact that 'James: Porch' has no lawful authority to seize and arrest i: man without warrant for an alleged "transportation" offense if he lacked any articulable facts and evidence supporting probable cause to believe that i: man was actively engaged in "transportation."

It is an uncontested fact that, absent any facts and evidence that i: man was engaging in "transportation," 'James: Porch' lacked not only articulable probable cause to make a warrantless seizure and arrest of i: man, but also any and all in personam jurisdiction over i: man relating to enforcement of regulatory statutes relevant to same.

Notice: Statement of Beliefs  
  
(verified)

**Notice: Statement of Beliefs**

The 'rogers court' presents notice:

i: man, believe that 'James: Porch' is in violation of several protections of the Bill of Rights. As 'James: Porch' is the man who initiated contact with i: man, under the color of his position as a State Trooper, it is his duty and a requirement of due process to provide an accounting of his actions under penalty of perjury. To the knowledge of i: man, he has not filed any an charging documents with joinder between i: man, and himself or the "STATE OF NEW JERSEY" to support the appearance tickets that were given to i: man on the side of the road.

4<sup>th</sup> Amendment violations: 'James: Porch' has not provided any articulable facts or evidence under penalty of perjury to show that he had probable cause to investigate my property through a "license plate check" or to initiate any restriction of the movement of i: man.

cf. "Violator: Any person who a police officer reasonably believes: (1) has committed an offense of the first or second degree or an offense enumerated in appendix A of this policy, or (2) poses an immediate threat to the safety of the public or other police officers" --New Jersey Police Vehicular Pursuit Policy p. 5

Without probable cause 'James: Porch' could not have lawfully pursued me in order to place i: man under arrest on the side of the road for what amounts to a civil infraction that applies exclusively to commercial motor vehicles.

Without probable cause 'James: Porch' did not have the authority to demand my paperwork and then take my property based upon that paperwork which is also a violation of the 5<sup>th</sup> amendment against self-incrimination.

Without probable cause 'James: Porch' would not have been able to get a warrant signed by a duly authorized judge for the seizure of my body or property.

Without probable cause 'James: Porch' had no right or duty to put his hands on my body let alone on my genitals. If 'James: Porch' did so for his own "safety" it was him that created the unsafe situation in the first place for everyone involved and the general public who had to drive around us and into oncoming traffic as there was no shoulder for i: man to stop my property safely on.

i: man believe 'James: Porch' to be in violation of the protections of the 5<sup>th</sup> Amendment. Without any probable cause or warrant any actions taken against i: man, Thomas-Frederick, were taken without due process of law. i: man have been deprived of my right not to testify against myself when 'James: Porch' demanded my paperwork. i have been deprived of my liberty when he placed i: man, under temporary arrest. i: man was deprived of my property without due process of law when 'James: Porch' took my property without a valid warrant.

The property (and rights) taken from i: man, by 'James: Porch', a man acting under the color of his office as a State Trooper was private. Just compensation must be paid.

Further i: man believe 'James: Porch' to be in violation of the protections in the 8<sup>th</sup> amendment. The grabbing of my genitals in full view of the public under the spots lights of

142478

the emergency vehicle he was driving was cruel and unusual. The fines that he imposed upon i: man, through the appearance tickets are all punitive in nature. i: man have not caused any harm requiring.

The fines would also constitute a taking of my property, the fruits of my labor, for public use. Just compensation would be required for ordering me to turn over property to the "STATE OF NEW JERSEY".

Further i: man believe the taking of my body from the side of the road where my property was taken from me and then dropped off down the street constitutes kidnapping for the purposes of highway robbery.

Further i: man believe the forcing of i: man to pay for services that i: man did not contract for is involuntary servitude. [cf. 18 USC 1581]

Further i: man believe the keeping of my property until i: man pay the towing and storage fees in addition to giving up my rights by forcing i: man to register my property as a commercial motor vehicle when it is not is extortion.

Further i: man believe that i was targeted specifically because i: man exercise my rights as a man who is also a native New Jerseyan [state national 8 USC 1101(a)(21)] i: man believe this was done willfully to force i: man into compliance with U.S. citizenship. i: man believe the destruction of my nationality to be Genocide. [18 USC 1091]

Further i: man believe that 'James: Porch' due to his "Oath of Allegiance" to the foreign corporations known as the "UNITED STATES" and the STATE OF NEW JERSEY has lost his nationality in favor of foreign federal citizenship.

Further i: man believe that 'James: Porch' is an agent of a foreign principle as he is an "officer of the foreign corporation". Is 'James: Porch' compliant with 22 USC 611 and 612?

11-8-17

Further while i: man am just a common man and do not speak legalese i: man believe that 22 USC 611 defines the men and women acting as agents of the of the foreign governments of the "UNITED STATES" and the "STATE OF NEW JERSEY" with respect to the American republics as insurgents. When i: man read that i think of the groups ISIS and the Black Panthers. They are both trying to push their political ideologies on the people through violence and as such are considered terrorist organizations. 'James: Porch' was clearly armed and i: man believe he would have been much more violent with me had i: man resisted his actions. There were two other men on scene acting through the color of the office of NEW JERSEY STATE TROOPER. Are these actions everyday occurrences? Should the NEW JERSEY STATE POLICE be added to the terrorist organization list? As the actions of 'James: Porch' appear to be intended to intimidate or coerce a civilian population of a foreign nation with respect to the "UNITED STATES" and the "STATE OF NEW JERSEY" would his actions be considered "international terrorism" as defined in 18 USC 2331 of the rules to which he has sworn allegiance?

Further i: man, believe if 'James: Porch', an agent of a foreign principle, is enforcing slavery through terrorism then he would also be guilty of treason and levying war against them (emphasis added), the American republics, as defined in the Constitution for the united States of America.

Further i: man believe the STATE OF NEW JERSEY has provided a dishonest service to the people of the American republic, New Jersey state as well as to the police forces on its payroll. The "STATE OF NEW JERSEY is responsible for the training of the men and women who go out there on the streets to keep the peace.

Further i: man believe the men and women operating the "STATE OF NEW JERSEY" responsible for branding the people of the American republic who are doing nothing more than exercising their Creator given rights as "sovereign citizens" and then giving the men and women trained to be police officers false

information. This false information is resulting in many violent interactions with police officers. I believe this is further evidence of the attempt to stomp out the remaining state natives instead of protecting the life, freedom, and property of them as was the intended by the government's original creation. Further it is acting outside of its own corporate charter based upon the right and privileges contained in Article 1 of the Corporate Charter known as the current New Jersey Constitution. I believe the STATE OF NEW JERSEY is therefore acting "ultra vires" by providing compensation to men and women like 'James: Porch' to treat people in the manner as occurred to i: man, 'Thomas-Frederick of the Rogers Family'.
